Subject: Brigham's

Yes, Several of the Brigham's flavors are gluten free. Flavors that are gluten free include: Vanilla, Chocolate, Chocolate Chip, Strawberry, Coffee, Peppermint Stick, Mocha Almond, Mocha Chip, Mint Chip, Curse Reversed and Raspberry Lime Rickey Sherbet.

All Wheat flavors (i.e. Oreo, big dig) are processed at day end to avoid cross contamination of non gluten containing products.

The frozen yogurt is sold under the name Élan. The Vanilla, Coffee, Decaf Coffee, Strawberry Kiss, Black Raspberry and Bordeaux Cherry are all gluten free.

I hope this information is help
