Subject: Gluten Free Items

Dear Mr. Clevenger,

Most of us in the food industry have been seeing increased requests for information regarding the gluten content of our products over the past several years. As such, Necco has a listing, which I believe to be complete, of all the gluten free items we manufacture on our website www.necco.com in the FAQ section. If you require additional information regarding our products gluten content or specific information about the products themselves, please feel free to contact us again. If you need us to forward the list (you should be able to copy it off the web page but I am not certain), I am sure we can arrange something.

Sincerely,

Jeff Green
